**APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT FOR SHORT-  
DOYLE/MEDI-CAL SETTLEMENT PAYMENTS TO NON-GOVERNMENTAL  
AGENCIES (NGA) FOR FISCAL YEARS 1994-1995,

(ALL SUPERVISORIAL DISTRICTS)  
(4 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve the attached Request for Appropriation Adjustment (Attachments I and II) to increase the Department of Mental Health's (DMH) Fiscal Year (FY) 2003-2004 Services and Supplies by \$6,429,000 fully funded with \$3,821,000 in prior year Federal Financial Participation (FFP) Medi-Cal and \$2,608,000 in unexpended funds from the Sales Tax Realignment trust account. The increase in appropriation will permit the DMH to make the following reimbursements:
  - a. FY 1994-1995 Final Cost Report Settlements in the amount of \$1,651,304 to the Department of Health Services (DHS) and three (3) Non-Governmental Agencies (NGAs) (Attachment III) funded with prior year FFP Medi-Cal.
  - b. FY 1995-1996 Final Cost Report Settlements in the amount of \$2,169,792 to DHS and thirteen (13) NGAs (Attachment IV) funded with prior year FFP Medi-Cal.
  - c. FY 1997-1998 Audited Cost Report Settlements in the amount of \$327,890 to twenty-three (23) NGAs (Attachment V) funded with unexpended funds from the Sales Tax Realignment trust account.

- d. FY 1998-1999 DMH Interim Cost Report Settlement in the amount of \$20,552 to the Child and Family Guidance Center and FY 1998-1999 Short-Doyle/Medi-Cal (SD/MC) Reconciliation Settlement in the amount of \$758,872 to DHS funded with unexpended funds from the Sales Tax Realignment trust account.
- e. FY 1999-2000 DMH Loan Reconciliation Settlement in the amount of \$186,593 to Tri-City and FY 1999-2000 Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Settlements in the amount of \$1,314,473 to twenty-two (22) NGAs (Attachment VI) funded with unexpended funds from the Sales Tax Realignment trust account.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

This is a routine Board action regularly requested of your Board to reimburse contractors at the end of the County and State audit and appeal processes. The audit and appeal processes lead to underpayment and overpayment determinations. In the event providers have been overpaid, they are required to pay back the amounts to the County; if providers have been underpaid, they are reimbursed the appropriate amounts. Board approval of the recommended appropriation adjustment will enable DMH to address underpayments to the providers and authorizes the appropriate payments to settle accounts with providers under their contracts.

Specifically, the \$6,429,000 appropriation increase will enable DMH to make FYs 1994-1995, 1995-1996, 1997-1998, 1998-1999, and 1999-2000 Final Cost Report Settlement, Audited Cost Report Settlement, DMH Interim Cost Report Settlement, SD/MC Reconciliation Settlement, DMH Loan Reconciliation, and EPSDT Settlement payments to DHS and NGA contract agencies as required by Federal law and the Department's Mental Health Service Agreements. Subsequent steps in the audit and appeal processes may occur at future dates with potential adjustments to these contractor claims.

Your Board has previously approved multi-year Mental Health Service Agreements with Post-Contract Audit Settlement language stating that "In the event of a post-contract audit conducted by County, State, and/or Federal personnel, actual and allowable SFC (service function codes) units for NR (negotiated rates) services and actual and allowable costs for cost reimbursement services shall be determined for each Fiscal Year or portion thereof that this Agreement is in effect. For NR and CR (cost reimbursement) services, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the amounts paid by County to Contractor for any NR SFC units furnished hereunder are less than the allowable pursuant to this Agreement and/or CR services, then the difference shall be paid by County to Contractor, provided that in no event shall County's Maximum

Contract Amount for the applicable Fiscal Year... be exceeded" (Paragraph 4, Financial Provisions, subparagraph P, Post Contract Audit Settlement (1) and (3)).

Your Board has also approved multi-year Mental Health Service Agreements with County Audit Settlement language stating that "If at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the mental health services... and if such audit finds that County's dollar liability for such services... is more than payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year... be exceeded" (Paragraph 4, Financial Provisions, subparagraph R, County Audit Settlements).

#### **Implementation of Strategic Plan Goals:**

The recommended Board actions are consistent with the County's fourth goal — "Fiscal Responsibility" within the Countywide Strategic Plan. Board approval of this request will enable DMH to make payments due to contractors that resulted from post-contract reconciliation, audit, and appeal processes conducted by the County and/or State.

#### **FISCAL IMPACT/FINANCING**

There is no increase in net County cost. The appropriation increase of \$6,429,000 is funded with \$3,821,000 in prior year FFP Medi-Cal and \$2,608,000 in unexpended funds from the Sales Tax Realignment trust account. The FFP Medi-Cal funds were received by the State on April 23, 2003 and June 13, 2003 for approved and audited services and are available in DMH's FFP trust account.

The unexpended funds in the Sales Tax Realignment trust account were generated from prior year revenues. Specifically, \$656,000 of prior year FFP received from the State on June 26, 2002, and the remaining \$1,952,000 from prior year State General Fund (SGF) paid by the State on June 17, 2002. The recognition of these prior year revenues results in use of Sales Tax Realignment funds in the Mental Health realignment trust account to be used for payment due to NGAs as a result of County and State reconciliation, audit and appeal settlement processes.

Upon Board approval, \$3,821,000 of funds held in DMH's FFP trust account and \$2,608,000 of funds held in DMH's Sales Tax Realignment trust account will be transferred to FY 2003-2004 revenue and disbursements issued.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

NGA providers have approved DMH Legal Entity Agreements with language stating that if in the event of post-contract audit settlements by County, State, and/or Federal personnel and contract audit settlements by authorized representatives of the County, and if such audits determine that the amounts paid are less than the allowable and/or County's liability for such services is more than payments made by County to Contractor, then the difference shall be paid to Contractor by County (Paragraph 4, Financial Provisions, subparagraph P, Post Contract Audit Settlement (1) and (3), and subparagraph R, County Audit Settlements).

Therefore, in accordance with the above referenced contract language, the following is due to and should be paid by County to Contractors accordingly: 1) per FY 1994-1995 final State audit settlements, the County owes DHS and three (3) NGA contractors a total of \$1,651,304 (funds received from the State on April 23, 2003); 2) per FY 1995-1996 State audit settlements, the County owes \$2,169,792 to DHS and to thirteen (13) NGA contractors (funds received from the State on June 13, 2003); 3) per FY 1997-1998 SD/MC State audit settlement, the County owes \$327,890 to twenty-three (23) NGA contractors (funds were received on June 17, 2002); 4) per FY 1998-1999 County DMH reconciliation/settlement process, the County owes Child and Family Guidance Center \$20,552, and per a SD/MC reconciliation process, the County owes DHS \$758,872; and 5) per FY 1999-2000 DMH reconciliation/settlement and State EPSDT settlement processes, the County owes Tri-City \$186,593 and twenty-two (22) NGA providers \$1,314,473 (funds were received on June 17, 2002). Contractor payments are consistent with existing contract terms and will not exceed the current Maximum Contract Amounts.

### **CONTRACTING PROCESS**

The subject does not apply as this request is consistent with existing contract terms in effect for the applicable fiscal years and NGA's Maximum Contract Amounts for the applicable fiscal years have not been exceeded.

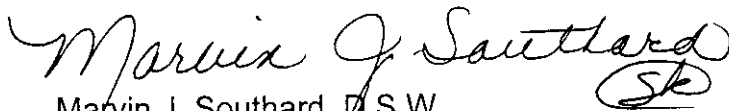

### **IMPACT ON CURRENT SERVICES**

Your Board approval of this request will enable DMH to make FYs 1994-1995, 1995-1996, 1997-1998, 1998-1999, and 1999-2000 audit settlement and loan reconciliation FFP and State EPSDT payments to DHS and NGA contract agencies as legally required.

**CONCLUSION**

The Department of Mental Health will need one (1) fully executed copy of the Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684, when this document is available.

Respectfully submitted,
